# Sharing the Joy

## It all began with a vision ...

to educate leaders who have a passion for Jesus Christ through the integration of faith and learning. Today, that vision has become a reality!

In 1997, after much prayer and consideration, the school board and Anchorage Grace Church embarked on a three-phase capital campaign to address the urgent academic and athletic needs of a growing student body.

**Phase I:** Renovation and expansion of the current gymnasium and auditorium. – Completed in 1999

**Phase II:** 23,000 sq. ft. Secondary Wing - Completed in 2001

**Phase IIIa:** Chapel/Fine Arts – Completed in 2008

**Phase IIIb:** Athletic Complex – Completed in 2009

## Next Step ...

**Phase IIIc:** Classroom Wing/Locker Rooms
