

On February 4, at 7:27 p.m., Mrs. Karen Beyers went home to be with Jesus. Grace Christian School administration, faculty, and staff are meeting together to pray for her family and to pray for wisdom as they discuss her passing with students. Teachers are praying with students, sharing scripture, and reminding them that though this is a sad time, because we will miss her, it is also a happy time, because we know that she is in heaven with a new body, with no pain, and dancing with Jesus. She wants us to celebrate her life today even as we go through the school day. She loved school, and she loved children of all ages! Please pray for the family today and over the next several days, and for teachers and staff as they minister to children and each other.

A memorial service for Mrs. Beyers will be held on Sunday, February 14, 3:00 pm, at Anchorage Grace Church/Grace Christian School.
